DEDICATION . . .

The 1982-83 **Briar Patch** staff would like to dedicate this yearbook to President and Mrs. Harold B. Whiteman, Jr. Your sincere support of and involvement in the college has been appreciated and will always be remembered. We wish you both the best of luck in whatever you may do; you will be missed. So — "Here's to the Whitemans hola, hola, hola . . . there's nothing that they cannot do!!"

What is S.B.C.?

If Daisy Williams could see beyond Monument Hill and gaze at her beloved Sweet Briar today, she would be overwhelmed at the change. Sweet Briar has become much more than Daisy could ever have dreamed. It is now a place where there is the rare opportunity which is offered to us for learning, for friendships, and for experiences which challenge us to live life fully and appreciate deeply.

Life today at Sweet Briar is filled with traditions which are created in memory of Daisy. So, here is to the tradition of laughs, smiles and memories of SBC!

Junior Banquet . . . Lantern Bearing

The night of Junior Banquet is met with much excitement and cheer by the Junior Class. On this night Juniors receive their rings and fight with the senior Class for possession of the "Golden Stairs." Junior Banquet is traditionally a fun, crazy night —but it is also a very special night for each Junior as she looks forward to her senior year.

Lantern Bearing takes place at the end of the year, near graduation. Each senior asks a girl to make a lantern for her and bear it in a special possession around the quad. These lanterns represent something special to the senior they were made for. Lantern Bearing is one of the most beautiful traditions at Sweet Briar because it recognizes the special friendships that are formed and the senior's appreciation of their years at Sweet Briar.

Springstep Singing

Graduation 1982

Spring is a time of mixed emotions. The excitement of graduation is present; yet the apprehension that goes along with it is also very real. At spring step-singing the songs are filled with nostalgia as seniors and underclassmen recall many fond memories. Everyone begins to prepare for graduation. For the seniors it marks the end of their college career, but the beginning of a new life beyond the hallowed halls. For the underclassmen, it marks the loss of special friends, but the transition of moving up.

Founders' Day

"Connect Only Connect" were the words of Dean Fontaine Belford, repeated over and over during her address at Opening Convocation. She focused on setting goals for the year and then striving to connect with those goals. President Harold B. Whiteman also spoke on the stability and yet continual advancement of the college over the years. It was his last Convocation at Sweet Briar after 14 years with the college.

Fall Step Singing

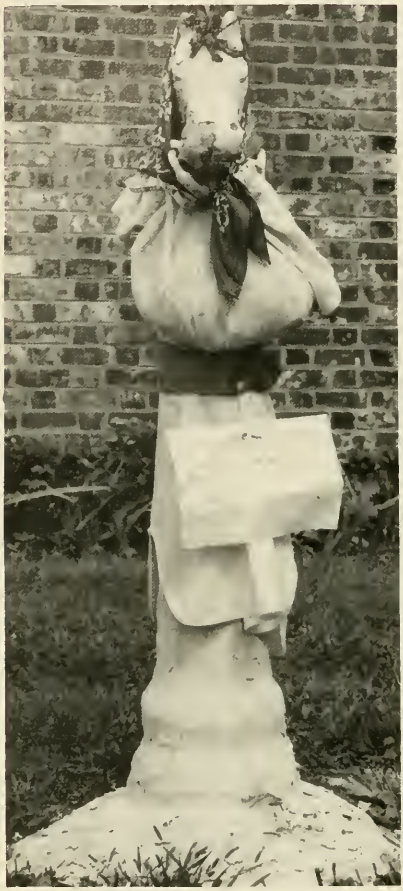

Once again, Sweet Briar girls all gathered with their class around the senior stairs to start off the year with singing. Freshmen organized their first group effort of the year, while seniors, firmly established upon the "Golden Stairs," sang out the traditional senior song . . . all amid laughs, smiles, cheers and shouts of "woo-sie!"

Hitching Post

At the appointed hour, freshmen and sophomores gathered together to "fight it out" over the possession of the hitching post. The horse-head figure is annually the center of an event where the two classes concurrently attempt to coat the post with the paint of their class color. At the end of the evening, the freshmen were victorious and the hitching post was left to remain black until next year. The sophomores then gained possession of the rock.

Club Day

One of the newest traditions at Sweet Briar is Club Day. It takes place about a month into the year and is basically held to acquaint Freshmen with the different clubs and organizations on campus and their functions. Club Day is sponsored by Interclub, headed by the Vice-President of the Student Government.

Senior Show

This year the Senior Class entertained parents and students on Parents Weekend with their production of Cinderella. Everyone enjoyed watching Cinderella in the Kingdom of Amherst County under the wrath of her mother Mommie Dearest, as she had to scrub the fireplace with a toothbrush! Luckily, Cinderella was able to attend the Fancy Dress Ball where she met her Prince Charming! Unfortunately, if she didn't get home on time, her coachman would turn into 100 security guards. This inside peek of life at Sweet Briar was cleverly performed and amusing to all.

Ring Game . . . Fashion Show

The Ring Game is played whenever a senior becomes engaged. A ring game is called by the senior class president and all seniors gather in the quad where the engagement ring is threaded on a pink and green ribbon. The ring is sent around once very slowly (for all to admire), very quickly the second time, and the third time the engaged girl cuts the ribbon thus announcing her engagement.

The fashion show is put on each fall by the senior class. The clothes are modeled by different seniors in Prothro Commons where everyone admires the clothes while drinking champagne. When the show is over, everyone is given the opportunity to try on and buy the fashions.

GHOSTS SEEN

Chung Mungs is an upperclass society known for the friendliness and enthusiasm demonstrated by its members. Everyone at SBC knows the familiar sound of "Chung Mung goodies!" yelled in the dorms at night — so much for diets! The rivalry between the ghostly Chung Mungs and the intellectual Tau Phis is an important and fun part of Sweet Briar life.

Another familiar group on campus is the wacky Aints and Asses (lovely lasses, not one dud!) Originally a takeoff of the drama club Paints and Patches, the Asses are now an independent club whose hilarious skits in Grammar Commons offer an entertaining break in an evening. President Whiteman and Byrd Stone are honorary asses, and this year they participated in the Christmas show as the Abominable Snowman and Bernie the Misfit Elf, respectively.

ASSES ARE TAPPED

FALL WEEKEND . . . BASH OF '82

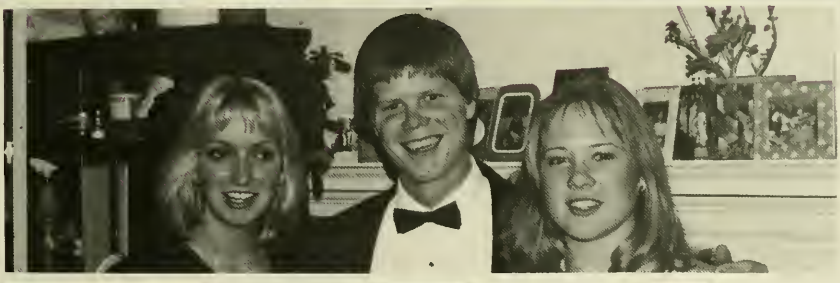

This year the Sophomore Class did a superb job in presenting fall weekend. The theme was "Cruise the Seas with SBC" and the weekend began on Friday night at the Bon Voyage Party from New York City (to those with less imagination and fun it was the Wailes Center). Saturday afternoon was spent "On Board" at the Boathouse all the while cruising to Venice, which was arrived to on Saturday night. Suddenly, the Dining Hall had become a romantic sidestreet in Venice, while the Moonlighters had everyone dancing (and romancing!). On Sunday, everyone arrived in Mexico where the Voltage Brothers were entertaining with their funky-beat sound and antics!

The cruise ended much too soon and none will forget the wonderful time they had! The hard work of the Class of '85 was apparent to everyone who attended and the sophomores deserve great credit for such a special time for the rest of the school!

PARTIES AND PALS

THE CHRISTMAS SHOW

Just as everyone was preparing for a dreary period of studying, studying and more studying the colorful Aints and Asses performed "Arty the Red-Assed Reindeer." The highlight of the evening was the special appearance of President Whiteman and Byrd Stone as Bumble and the Misfit Elf, respectively. The crazy antics and humorous lines allowed everyone to forget (at least for a hour!) the period ahead and reminded the school that the holidays and cheerful spirits were close at hand! The rambuntious Aints and Asses ended the show with a lively version of "Have a Holly, Jolly Christmas" and everyone left smiling as they dispersed into the cold winter evening.

'Uncommon, Women And Others

Paints and Patches' fall production was performed November 18, 19 and 20th. Among the talented and convincing were Pilar Uribe, Sara Greer, Michelle Cox, Cate McNider, Hillary Petta, Ellen Carver, Diana Dawley and special guest star Mrs. Edith Whiteman.

Christmas Caroling . . . In the Quad

"I'll be home for Christmas . . ." The sound of the Sweet Tones singing these words brought tears to the eyes of many students as they ate the annual Christmas dinner in Prothro Commons. The anticipation of going home for Christmas mixed with the fear of taking exams made the few days before vacation hectic ones for students; but there were many activities to ease the anxiety. Dorm Parties and Secret Santas were traditional events, as well as caroling in the Quad. Everyone made it through exams and arrived home for the holidays in good Christmas spirit.

Christmas Dorm Parties — Christmas Dinner

ABRIAR

Every year, each sophomore girl is confronted with the difficult question of to go away her Junior year or stay at Sweet Briar — in other words, "Abroad" or "Abriar"? Those who do go away return to Sweet Briar with a new outlook and confidence, but those who stay on campus are able to become involved in more activities and explore new challenges they hadn't realized were available to them. Many times, girls spend their Junior Year at another college in the United States — Southern Methodist University and American University to name a few. However, for those girls that travel to places such as Germany, London, Paris, Seville and Scotland the experience cannot be equalized.

The girls who do choose to leave Sweet Briar are dearly missed. Upon their return however, they are quickly descended upon for their stories of travel, fun and independence. The sharing that occurs between girls that are "Abroad" and "Abriar" is perhaps the most unique aspect — allowing everyone to value from each other's experiences.

ABOARD

SWEET BRIAR IS . . .

Sweet Briar has never been just a college to its students, but a community which fosters many close ties and lasting friendships. Freshman orientation and the sister classes help even the newest students to immediately feel that they are a part of Sweet Briar life. By grouping incoming freshmen together with an upperclass orientation leader they are led through their first week and helped with the things that even the handbook doesn't cover — the social life at W & L and Hampden-Sydney or what to expect from certain classes. Most importantly, however, are the new friendships that are begun this first week. That process of developing new friendships continues, for most students, throughout their stay at SBC.

There is a bond among the students at Sweet Briar that allows for the Honor System to work — a bond of trust and respect for one another. This tie is fostered by the sister classes and the fact that the dormitories are not segregated by class. Unity — it's part of the character of a place called Sweet Briar.

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism. Be yourself.

The Judicial Committee, composed of members of all four classes, strives to enforce the Honor System and strengthen its role within the Sweet Briar Community. The Board encourages a reverence for the traditional honor codes — which assumes that each student will not only maintain a high standard of honor, but will also feel a sense of responsibility to the community — and seeks to enforce students to abide by these regulations.

The Executive Committee, composed of student elected representatives, primarily implements the powers granted to the Student Government Association and serves to represent the students to the faculty and Administration. "Exec" also sponsors educational projects, channels questions concerning academic matters to the proper authorities, administer the Constitution and By-Laws, and annually reviews the rules and regulations.

Social Committee is kept very busy throughout the year by all the social activities that they sponsor. Saturday night movies, Dell Parties, Sundae Parties, Mixers and Spring Weekend are but a small example of everything Social Committee does to add entertainment and fun to life at Sweet Briar.

Academic Affairs is very helpful to each student during her years at Sweet Briar. Their activities include helping students at registration, Majors night (in conjunction with the Dean's office) and distributing exams and teacher evaluations. Two of their newest endeavors are Friday evening discussions about relevant world news issues and Freshman advising in course selection.

House Presidents and Resident Advisors

House Presidents are elected by the entire student body every spring for the following year. Each dorm has a house president who plans parties and other activities for the dorm to participate in. Besides being fun, the House Presidents have the important job of making sure no damage is done to the dorms and that all rules are obeyed.

Every dorm has at least one resident advisor who is available throughout the year to help with any problem anyone in the dorm may be having. The R. A.'s help sponsor dorm parties and the Roommate Game in addition to their other responsibilities.

Spirit and fun — that's a Bum! Ten rising juniors are tapped in the Spring of their Sophomore year as Bum Chums. Throughout the year, they sponsor the Bum Chum Christmas Bazaar, the Blood Mobile, an orphan and various other community activities. Bums are recognizable on campus by their ringing red and white scarves.

The Q.V.'s are a secret group of Sophomores elected by their class at the end of their Freshman year. They create and strengthen spirit and unity within their class. Throughout the year, the Q.V.'s leave goodies outside the doors of their classmates while hiding their identities from the Bums. After an active year, the Q.V.'s are revealed at Spring Step Singing.

The Sweet Tones can be heard singing around campus with their beautiful voices. In the spring new tones are auditioned for, where they are chosen for their voice which is harmonious with group. Sweet Tones sing at Happy Hours, Perspective Weekends, Christmas, and many other times during the year. Every two years the "Tones" record a new album with everyones Favorites.

"Let the Earphones Sing For You" is the theme song of the boisterous singing group, the Earphones. On April Fool's Day new half notes are tapped for their loud, not always in tune voices. The Earphones sing at Chautagua's, dorm parties, and in the Dining Hall to advertise school advents. Also, many a girl has had to stand on her chair in the Dining Hall with the Earphones singing "Happy Birthday" to her.

Paints and Patches . . . Ain'ts and Asses

Paints and Patches is an honorary club for students involved in drama. New members are tapped in the spring by old members carrying candles and dressed in black robes and masks. Paints and Patches put on several theatrical productions a year. Eligibility for Paints and Patches comes as a result of hard work and sincere interest in the advancement of drama at Sweet Briar.

The Aints and Asses are one of the most colorful groups on campus. Led by "Most Illustrious" this club taps new members in the early fall. The highlights of the initiation are the Half-Ass odes and the Half-Ass show. Known for their whistles and water guns, the Asses put on at least two shows a year satirizing the different aspects of Sweet Briar.

Copy writing, layouts, taking pictures, typing, and keeping late hours are some of the many tasks involved in producing a yearbook. We only wish each of you could know the disappointments suffered as each deadline arrived. Copy that was never written, picturs that did not come from the dark room, and many other things too numerous to mention. We attended a seminar to learn new and creative layouts in an attempt to produce a better book. We only hope you enjoy what you see.

RIDING

With the help of an outstanding instructional program and extensive facilities the varsity riding team, experienced huge success in the 1982 season.

The IHSA riders brought home several high point or reserve high point college ribbons, and eighteen riders qualified to compete in the regionals. At the regionals, sophomore Sandy Whaling was chosen to travel to the IHSA Nationals.

Seven riders represented Sweet Briar at the VAIAW State Championships placing third overall. From these individuals, a representative team of four members — Jenny Dodge, Katie Hoffner, Virginia Lynch, and Elizabeth Sprague — was selected to complete in the NRC National Three Phase Collegiate Championships in Lexington, Kentucky. Sweet Briar was the National Reserve Champion College.

Many riders attended local horse shows at such locations as Hollins, the Barracks, and the Farmington Hunt Club while members of the cross-country team competed in the annual hunter trials, several hunter paces, and foxhunted with the Farmington Hunt Club.

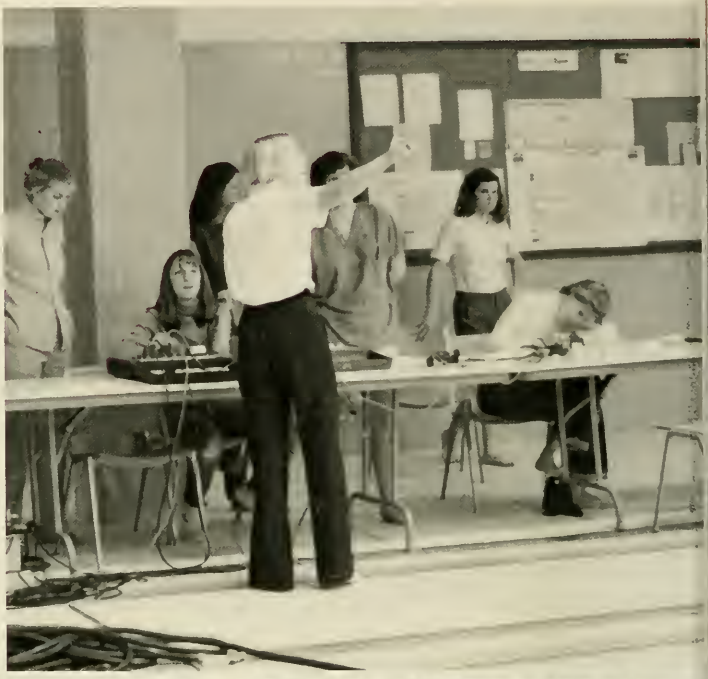

swimming

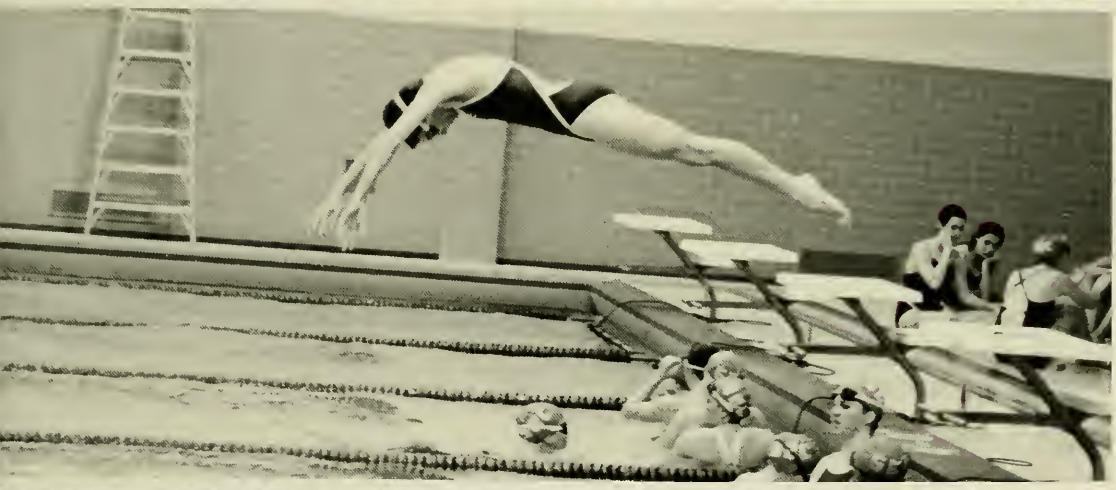

The '82-'83 Varsity Swim Team dove head first into their season with a 83-53 victory over Randolph-Macon Women's College . . . The meet saw four Varsity Swimmers qualify for national competition and three Sweet Briar records broken . . . the team travelled to meets throughout Virginia and North Carolina including a meet at W&L . . . all agreed, however that the highlight of the season was the Sweet Briar hosted regional meet. "It was an exciting meet with lots of spirit displayed by all the teams," exclaimed one swimmer . . . the team began practicing in September under the guidance of Coach Bonnie Kestner and Captains Sarah Edmunds and Jennifer Rotman. Until February, the team "hit the waves" for a "gruelling" two hours a day. "We wonder why we do it to ourselves" explained one swimmer, "but without it, we'd go crazy!" . . . Captain Elizabeth Cahill led the J.V. team to an exciting season highlighted by many "personal best times" . . . the '82-'83 team will always remember . . . van rides . . . eating pizza . . . W&L . . . Florida . . . and a terrific season . . .

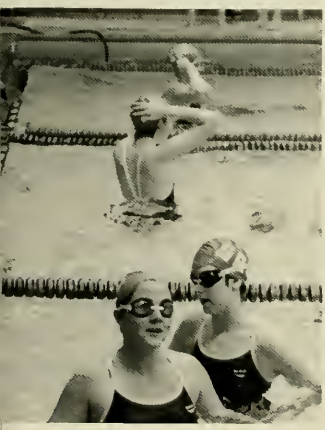

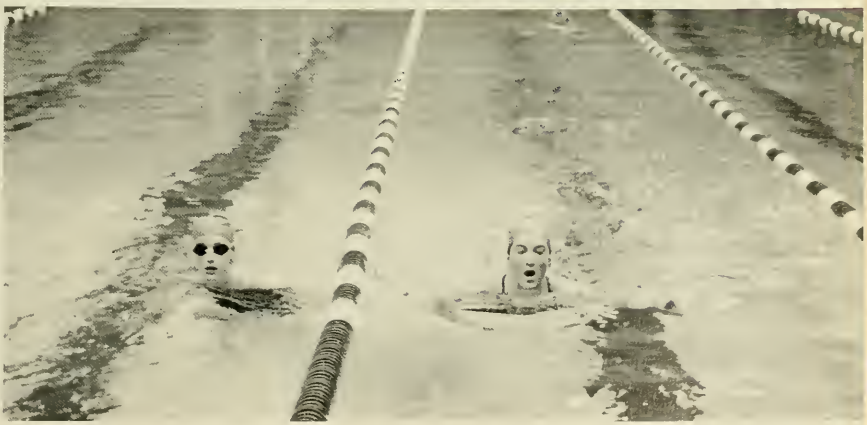

basket ball

"It was a year of struggle and frustration but if this team stays together as a group, we are going to come up to our potential and win numerous games in the future." These words summarized Coach Zampach's thoughts of this season of basketball.

The scores didn't show it, but the team was a winning team. This year's basketball team was almost entirely Freshman and because of this fact it was a slow moving season.

Not having a large group of returning veterans to fall back on, the whole team had to really work hard at working together and with a new coach.

As Zampach said, "this year was a learning and growing year and I'm proud of every athlete who played on the team this year."

parcourse

What's a PARK HORSE? This was a common question asked whenever anyone mentioned doing the Par Course early this fall but now the words "Par Course" are quite familiar to all members of the Sweet Briar Community. Construction of the 1.3 mile Par Course was supervised by June Booth and financed in part by a challenge gift from John Rogan, a former member of the Board of Oversears.

The Par Course has 18 different stations each of which has 3 different levels; starting, sporting and championship. The concept of the Par Course is based on the principles of aerobics and promotes cardiovascular fitness by strengthening the heart muscles and increasing its capacity for oxygen intake.

The Par Course begins behind Sweet Briar House and is laid out along the lakes down to the dam and back up the Boathouse Road to the front of Sweet Briar House.

swebop

"Swebop" is Sweet Briar's outdoor program for anyone interested in a different, fun and challenging experience! The trips are designed for people with no experience and all instructions and necessities are supplied. The group enjoys such diverse activities as hiking to Crab Tree Falls, white water canoeing, tubing down the Maury Rive and white water rafting. Swebop also enjoys such activities as rock climbing, parachuting and biking. It is not only the excitement of these trips but also the skills in leadership and confidence which are learned in the challenges of Swebop. In addition, a greater respect of one's abilities, both physical and mental is attained. Swebop expeditions can be tried as often as one desires and the programs become increasingly popular with all students at Sweet Briar. Swebop allows for a different type of weekend than one would normally experience — perhaps the most exciting type that one could have!

This page is dedicated solely to those who helped me put this book together. We tried different things this year and believe me, it was hard. We started in September and everyone "plugged through" 'til March. It was a time consuming and sometimes thankless job. Ya'll deserve the biggest thanks I could ever give. I appreciate everything you did, even though I sometimes didn't appear to. I couldn't have done it without any of you! So - a big hug and lots of thanks to...
